Hull & Company

Hull & Company, Inc. was founded in Ft. Lauderdale, FL in December 1962. Today our Wholesale Brokerage Division has grown to be one of the largest premier operations in the wholesale insurance marketplace.

Our Wholesale Brokerage Division markets excess and surplus commercial and personal insurance products to retail insurance agencies, and reinsurance products and services to insurance companies throughout the United States. Our Wholesale Brokerage Division offices represent various U.S. and U.K. surplus lines insurance companies, and certain of our offices are also Lloyd's of London correspondents. The Wholesale Brokerage Division also represents admitted insurance companies for the purpose of enabling smaller agencies that otherwise would not have access to these markets to place business there. Excess and surplus lines insurance products include a wide variety of insurance coverages, such as personal lines homeowners, jewelry, yachts, commercial property and casualty, commercial auto-mobile, garage, restaurants, builders' risk and inland marine lines. Difficult-to-insure general liability and products liability coverages are a specialty, as is excess workers' compensation coverage. Wholesale brokers solicit business through mailings and through direct contact with retail agency representatives.
